November 2020

Declaration of Pecuniary Interests Covid Statement:

Many Trust governance level meetings are now virtual because of the pandemic. It has not always been possible to secure newly signed Declaration of Pecuniary Interest forms. Where we have been able to get signed copies, they are uploaded. We have left everyone else's which are out of date, however each person has confirmed via email that there are no changes. These emails are available for inspection on request.

Mark Mitchley
Chief Executive Officer
