June 2019

Dear Parents and Carers,

As we come to the end of another busy year, it is important that we reflect on what we have achieved, provide you with end of term information and look forward to next year.

This year has seen greater stability in staffing and systems across the Trust. We continue to improve and challenge our students to do even better. Year 11 students have really embraced their exams, and have dealt with the pressures with maturity. We look forward to celebrating their successes along with our Year 13 on results days on 15<sup>th</sup> August (Year 13) and 22<sup>nd</sup> August (Year 11).

We continue to build links with our local community through a range of activities including poppy selling and collecting donations for local food and hygiene banks, working with our primaries using our young leaders and raising money for local charities including the Leicester Royal Infirmary. Our reward programme continues to be developed with activities including the Champions League, reward assemblies and Headteacher awards and cups.

Applications for Sixth Form are at their highest ever level as we expand our curriculum offer to include courses such as criminology. It has also been another record year for our sporting teams and the range and quality of our concerts and performances are ever improving. We continue to develop opportunities for our students to learn and be inspired both inside and outside of the classroom.

I would like to thank the staff who have worked tirelessly over the year to support our students, many giving up free time for clubs, activities, trips and to run intervention sessions. I would also like to take this opportunity to thank parents and carers for their ongoing support this year, your role in supporting us and your child/children is never underestimated and as ever is a major contributing factor to their success.

The Academy and College will close at the earlier time of 12.15pm on the last day of term, Friday 12th July, including for those who use the school bus. The bus company are aware and will provide buses at this earlier time. However, if you wish your son or daughter to remain at the Academy until the usual time of 3.00pm please contact their Head of Year so that we can make arrangements for them. On this day we will also have an extended break time to allow the canteen to serve hot food.

We look forward to a busy end to term with lots of events including:

Awards evenings  
Induction for Year 7 and Year 12  
Appointment of student leadership teams  
Summer concert  
Excel open event  
Reward visits to Drayton Manor and Alton Towers
