Dear Parents/Carers:

Change in Financial Circumstances:

We know the current lock down has had a significant impact on many families due to zero hour contracts, being self-employed and redundancy.

If you have found recently your circumstances have changed with work you may be entitled to claim Free School Meals for your child, you can check by calling 0116 305 5000 or further information and an application can be found on link below:

Once you receive correspondence that confirms your child's eligibility, please email:
