25th March 2021

Dear Parents and Carers,

During the Easter Holidays, there is an opportunity for our students in Year 9 to attend remote learning sessions; that we feel will best meet our student's needs. These Easter school sessions have been identified for our students based on key focus subjects and skills.

The sessions will be delivered via Teams, this is to make the sessions accessible to more students. Many thanks for registering your interest in these sessions; this has enabled us to produce the following timetable:

Easter School Final timetabled sessions

The link below will take you to the appropriate Team Session for Year 9. You will need to login using your school email address and password. Once you have logged in you will see a meeting being held with the title of each session. These sessions will be recorded for any students who wish to participate but cannot access them during the set time.
