Dear Year 11 Students, Parents and Carers,

We hope that you have a wonderful and well-deserved summer holiday. We are looking forward to seeing you all again when you come to collect your results. Please read the information below carefully, so that you know what to do.

GCSE results day is on Thursday 25th August. Results may be collected between 9:00 – 11:00 am from Wigston College.

Please arrive at the College and enter via reception. You will collect your results and then have the opportunity to gather in the courtyard and Wendy's to meet with your friends and chat to your teachers.

Those of you who have applied to study with us at Wigston College will be invited to enrol on the day and our Sixth Form Team will be sending you further information.

Our specialist CEIAG team will be on hand too, so don't worry if you need any extra advice on the day. They will be able to discuss what to do next and answer any questions that you may have about your next steps.

If you are unable to collect your results on the day, they will be put in the post at the end of Thursday 25th August. For this reason, it is most important that we have your correct address on our system, so please let us know if this has changed by emailing admin@wigstonacademy.org.

It is also possible to nominate someone to collect your results for you. There is a form on the Academy website where you can tell us who that person will be.

This form will need to be received by Thursday 18th August (before results day) and the person named will need to bring a photo I.D. so that we can verify who we are giving your results to.

If you need to contact us, please contact College reception on 0116 2881611 which will be open from 8:00am to 3:00pm on the 25th and 26th August.

We very much look forward to seeing you all again and to celebrating your success.

Yours faithfully,

Miss Eales
